RESPONDENT’S PROFFER ON AWARD OF COMPENSATION

On October 12, 2021, Teresa Knowles (“petitioner”) filed a petition for compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34, *as amended*. She alleges that, as a result of receiving the influenza vaccine on October 4, 2018, she suffered from Guillain-Barre Syndrome (GBS). *See* ECF No. 1 (Petition).¹ On May 18, 2023, respondent filed a Rule 4(c) Report, conceding that petitioner’s claim meets the Table criteria for Guillain-Barré Syndrome (“GBS”) injury. (ECF No. 26). On May 18, 2023, the Court issued a Ruling on Entitlement finding petitioner entitled to compensation under the Vaccine Act for a GBS Table injury. (ECF No. 27).

I. Items of Compensation

Based upon the evidence of record, respondent proffers that petitioner should be awarded the following, and requests that the Chief Special Master’s decision and the Court’s judgment award:

¹ Petitioner filed an Amended Petition on June 23, 2022, and while that pleading contains additional details about petitioner’s condition, the alleged injury remained based on a claim of GBS that developed following an influenza vaccine administered on October 4, 2018. *See* ECF No. 16 (Amended Petition for Vaccine Compensation).

1. A lump sum payment of **\$180,000.00**, which represents compensation for pain and suffering, see 42 U.S.C. § 300aa-15(a)(4); and
2. A payment of **\$37,326.00**, which represents compensation for past out-of-pocket medical expenses, see 42 U.S.C. § 300aa-15(a)(1).

These amounts represent all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a).² Petitioner agrees.

II. Form of the Award

Petitioner is a competent adult. Evidence of guardianship is not required in this case. Respondent recommends that petitioner be awarded a lump sum payment of **\$217,326.00**, in the form of a check payable to petitioner. Petitioner agrees.

Respectfully submitted,

² Should petitioner die prior to the entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future pain and suffering.
